**When we have the use of the flag, we may drive the cart beyond the "no cart" sign and white painted line, BUT, do not drive too close to green (20 feet or less). Do not go up to the green and putt, (your partner may be able to help you with your cart), return to cart path and drive to green. Park on the cart path or if not on the path be sure you are parked behind the green, We caution every driver to never drive over a curb and please not too close to the tee boxes.
